

Pat O'Doherty

Vice President

Pat O'Doherty was appointed Chief Executive of ESB in 2011, and appointed to the ESB Board in 2013. Previous to this, he headed up each of ESB's main businesses as Executive Director ESB International, Managing Director ESB Networks Ltd. and Executive Director ESB Power Generation. Mr O'Doherty holds a primary and masters degree in Engineering from University College Dublin (UCD) and completed the Advanced Management Programme at Harvard Business School. He is a past trustee of The Conference Board of the United States, Director of Energy UK and Chair of the Apprenticeship Council of Ireland.
